

The map displays a street grid with several buildings shaded in grey. Key features include:

- Streets:** A main vertical street runs through the center, flanked by smaller side streets.
- Buildings:** Shaded grey areas represent building footprints. One large building complex is labeled "GRS-NR-130". Other buildings are labeled "GRS-NR-132", "GRS-NR-105", and "GRS-NR-137".
- Lot Numbers:** Various lots are identified with numbers like "131/2", "132", "133", "134", "135", "136", "137", "138", "139", "140", "141", "142", "143", "144", "145", "146", "147", "148", "149", "150", "151", "152", "153", "154", "155", "156", "157", "158", "159", "160", "161", "162", "163", "164", "165", "166", "167", "168", "169", "170", "171", "172", "173", "174", "175", "176", "177", "178", "179", "180", "181", "182", "183", "184", "185", "186", "187", "188", "189", "190", "191", "192", "193", "194", "195", "196", "197", "198", "199", "200".
- Dimensions:** Some lots have specific dimensions noted, such as "8.00 m" and "6.00 m".
- Other Labels:** A label "STREET LIGHT" points to a location near the intersection of two streets.
